

Accurate Oval Flush Pull Template for 2002 series Flush Pulls

Finish mortise size: 2-1/16" x 5-5/8"

Mortise pocket is set for a 2-3/4" centerline from door edge using the red stops against the door edge

Using your own clamps, clamp the template to the face of your door, the red door edge stops will place the center of the mortise 2-3/4 inches from the edge of the door. Mortise with your router using a 1/2 inch router bit and a 5/8 outside diameter router template guide on the base of your router. Both the router bits and the template guides are available from Templaco. See cutting tools & template guides on the Templaco web page.
